

Solar battery rebate 

# Lead the charge... install a battery

Eligible households can claim a discount on the cost of a solar battery through the Solar Homes Program solar battery rebate.

# Why install a solar battery?

Save up to \$640 per year on your energy bills  
(based on a typical household)

Save upfront on your solar PV system

Help create solar industry jobs

Tackle climate change

The Solar Homes Program is supporting eligible Victorian households to install a solar battery to complement a solar PV system.

To find out if you're eligible for a solar battery rebate visit [solar.vic.gov.au](https://solar.vic.gov.au)
