

Solar for rentals rebate

Solar for rentals. It's a win-win!

There are benefits for both rental providers and renters with a solar panel rebate for rental properties, plus the option for an interest-free loan.

Why install solar panels (PV) on your rental?

Save upfront on your solar PV system

Eligible rental providers can access a rebate and interest-free loan to reduce the upfront cost of a solar panel (PV) system on their rental property.

Improve the value of your rental

Rental providers can save thousands of dollars and will benefit through the improvement to their rental property.

Help your renters reduce their energy costs

Renters benefit through reduced energy bills. An average rental household can save hundreds of dollars per year.

Help create solar industry jobs

To find out if you're eligible for a solar for rentals rebate visit solar.vic.gov.au
