

Driving the future of transport

# Thinking about buying a Zero Emissions Vehicle?

You can drive the future of transport by buying a zero emissions vehicle (ZEV) with the help of the Victorian Government's ZEV Subsidy\*.

\* Eligibility criteria apply.

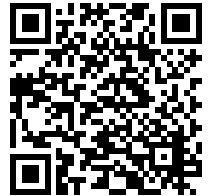

# Cleaner, greener, more affordable

Zero emissions vehicles (ZEVs) are an important step in Victoria's transition to a clean energy future – a transition away from fossil fuel powered vehicles to a cleaner, greener and now more affordable way of driving.

Buying a new vehicle is a big decision. The Victorian Government's ZEV Subsidy reduces the upfront cost of a new vehicle to get you driving the future of transport sooner.

To learn more about the ZEV Subsidy, ask your car dealer, or scan this QR code to visit the Solar Victoria website.
