Why install solar panels (PV)?

Save upfront on your solar PV system

We are offering eligible business owners rebates to reduce the upfront cost of a solar panel (PV) system on their place of business, plus the option of an interest-free loan. Business owners can save thousands of dollars on their running costs.

If you'd like to speak to us in your language you can access free phone translation services by calling the National Translating and Interpreting Service on 131 450.

Drive down energy costs
